RE:	OIL PRESSURE	PRODUCT	P
	B 18	GROUP	22
DATE	May 1966	NO.	1

### Oil pressure, B 18-engines.

The oil pressure for B 18 engines has been lowered to 2.5 - 6.0 kg/cm<sup>2</sup> (36 - 85 lb/sq. in.) (with warm engines).

The new value will be included in future editions of the publications concerned.
